Octoberfest Meeting

Hop to it! Yes, the herb of the year is HOPS and we will be learning about them first hand at our away meeting this month.

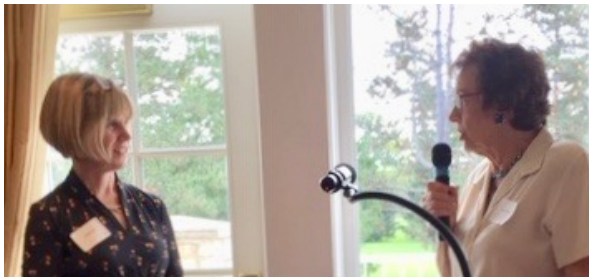

Sibling Revelry is a microbrewery founded by a family of brothers and cousins. They started with a 10,000 square foot facility and have since expanded next door to almost double their size. We will have an opportunity to hear from the brew master the process of turning grain into a product for the glass. We will meet at 10:30 for a 45 minute tour. The brewery is closed at this time and they are doing this tour just for our group. We will have a short meeting followed by lunch there at noon. Please respond to Shirley by email, Claire (440-835-2663) or Kathy (440-385-7566) by Sunday October 14th. Please respond whether you plan to attend or not attend.

Thank you to all who participated in the Fête des Fleurs luncheon. **Jean Smith** and **Robert Pearl** worked their magic to produce a truly memorable event. Twenty-three of our members worked very hard to make this a success. I heard nothing but wonderful comments from all who attended. We should all be proud of our accomplishment and our reputation across the county. *Sally Knurek*

Luncheon Recap pp.2 & 3

Marie McCarthy, Ruth Bertrand and Shirley Lutts were our registration table ladies. Regina and Cathy Garlitz and Shirley were responsible for our exceptionally beautiful table decor and Regina was most helpful in directing people to their tables. Many of you solicited donations and all are greatly appreciated. Our local merchants are especially generous with this club. A very special thank you to our attendance lady, Margaret Schulz who solicited more donations than any other member. She also does a wonderful job with following up with the merchants to show them their name in our program.

Jill Koski, CEO of Holden Forests and Gardens being introduced by Sally Knurek, President of WGC

Thanks to **Jean and Robert** for chairing or luncheon and for finding such an enthusiastic and dynamic speaker. It was a pleasure to meet **Jill Koski**, the new CEO of Holden Forests and Gardens and to learn of her optimism for the growth and development of gardening and ecology in the Cleveland area.

Mark your calendar for the 4th Wednesday in November!

A very big thank you to all who helped with the basket raffle, 50/50 and Silent Auction at our luncheon fundraiser. Our raffle workers were Sally Knurek, Chris Borzak, Marsha McEntee, Laura Messing and Anne Engel. A big thank you to Alberta Ricciardi and Cathy Garlitz for their work on the Silent Auction and to Marsha, Robert and Shirley for selecting the winning tickets. The variety and quality of the baskets was most impressive and we are very grateful. Again, thank you to all who contributed a basket or worked at the luncheon.
